Good Morning!

Welcome to the Ramey Air Force Base Historical Association. Whether you served at this beautiful air base or have other ties to Ramey, we are very happy that you decided to formally support our mission to restore and preserve as much of this historic location as possible.

You are not just joining an association, you are joining more than 225 other members who feel that preserving and protecting landmarks with significant military history such as Ramey Air Force Base is an important goal in an age when so much of the past is razed and forgotten.

If you have not already done so, please visit our web site at rameyafb.org. It's being updated often and the link entitled Then & Now will give you a feel for the reasons we exist as an organization with dreams of restoring some of these fine old structures to their former glory. After you take a look, e-mail us at topgun@rameyafb.org and let us know what you think.

Our newsletter, *View from the Tower*, will be coming to you on a quarterly basis, and the most recent copy is on its way to you now. Enclosed is a bill for your dues. Only \$24, it's intended to cover the cost of the newsletter, but sure doesn't go far to restore an air base. So, we will be developing programs to raise funds, and we will be working to establish alliances with military, corporate government and non-profit groups where **mutually beneficial**.

Your Ramey AFB experience is important to us so please review the attached information, make any necessary corrections, and send it back to us with your check.

Welcome back to Ramey Air Force Base and keep 'em flying!

Sincerely,
